

## Field Service Technicians

Chicago, IL

[Apply Now](#)

Komori America Corporation is the US subsidiary of Komori Corporation - one of the world's largest manufacturers of printing equipment. We strive to create a working environment with customers, vendors, and employees where we enjoy working together for a common goal.

Kando - 'beyond expectations' - is our standard for the Komori brand.

**We are seeking a Mechanical Field Service Technician and Electrical Field Service Technician in the Chicago area.**

At the customer site, you will install, maintain, troubleshoot, diagnose, and repair mechanical and/or electrical printing issues.

Working directly out of your home you will generally travel 80% to 100% of the time.

We offer a top-of-the-line benefit package which includes medical, dental, vision, disability, per diem, 401-k with 100% employer match, paid time off and more!

Your medical, dental and vision coverages are effective on Day 1.

Please submit your resume for consideration if you meet the following requirements:

Possess a minimum of two years previous experience in the mechanical or electrical repair of offset printing presses.

Possess a valid driver's license.
